What is the February Readathon?

February 1st kicks off our "I Love to Read" month! February is a month to encourage your child to explore the rainforest, learn about historic figures and travel through time all from the comfort of your own home or car. We have set up some fun Friday events to keep "I Love to Read" a fun and inspirational month and we hope everyone will participate! A February calendar was sent home but if you missed it, you can find it on our school website.

Here is how the fundraiser works:
For Kindergarten and 1st grade:

Read-a-thon will be based on the number of books they read or have read to them at home between February 1 and February 28th. Class goal is 50 books. Parents will need to complete a sheet with book name and initials. The sheet will be collected with the donations and returned by March 2nd.

For grades 2-8

Read-a-thon will be based on AR points earned during February. Points will automatically be recorded on the computer when they take their AR tests and a sheet will be sent on Feb 28th by email. Students will collect donations and return them to school by March 2nd.

2nd 20 AR points

3rd 25 AR points

4th 30 AR points

5th 35 AR points

6th 40 AR points

7th 45 AR points

8th 50 AR points

Your child agrees to read the minimum for their grade and collect donations, either flat donations or per book or AR point.

***All monies raised go to EGPTO to help with projects that impact students. Previous years the EGPTO has funded computers, laptop carts, robotic equipment, fieldtrips, T-shirts for all students, playground equipment, STEM equipment and books.

As an added incentive, the students will earn 10% of their collected donations in credit they can use at the Spring book Fair! This will be in the form of a certificate and may only be used at the Scholastic Spring Book Fair. .

Your child must have a minimum of $10 raised and turned in, in order to be eligible for the gift card to the Scholastic Book Fair and to participate in the Reward Party March 2nd.
