Discussion

A. Negotiations between Elder Grove Education Association and Board of Trustees for School District #8 -

The union started off explaining their thoughts on the situation and asking for the recess schedule requested last Friday evening. Recess schedule not available as not enough time was given between the request and the current meeting. No discussion of recess duty would ensue until a schedule was presented.

The union handed out their counter offer. Discussion ensued about the items listed. The union liked the new matrix presented at the last meeting.

The union handed out their proposal on how more prep time could be available to the classroom teachers. A discussion ensued along with Q&A.

Union made several suggestions on how to cut the budget. Ex: cut sports, not pay stipend for coaches and clubs.

Further discussion was held. Nothing was agreed upon.
