B. REPRESENTATIVES

The teacher, administrator or school district may be represented during any step of the procedure by any person or agent designated by such party to act on their behalf.

C. DEFINITION AND INTERPRETATIONS

1. Extensions: Time limits specified in this agreement may be extended by mutual written agreement.

2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays excluding Saturdays, Sundays, and legal holidays.
3. Computation of Time: In computing any period of time prescribed or allowed by procedure herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted unless it is a Saturday, Sunday, or a legal holiday.
4. Filing and Postmark: The filing or serving of any notice or document herein shall be timely if it bears a certified postmark of the United States Postal Service within the time period.
5. Time limitations and waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the District Superintendent, setting forth the facts and the specific provisions to the Agreement allegedly violated. The written grievance must also include the particular relief sought within ten days after the date of the first event giving rise to the grievance. Failure to file any grievance within such a period shall be deemed a waiver of the grievance. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust all alleged grievances informally between the teacher and the school district's designee.

D. ADJUSTMENT OF GRIEVANCE

1. The school district and the teacher shall attempt to adjust all grievances which may arise within the school district in the following manner:
 - a. Level One: Within thirty (30) calendar days of the occurrence of or knowledge of the act or condition which is the basis of the grievance, the grievant may file a grievance with their supervisor. The supervisor shall arrange for an initial meeting to take place within ten (10) days of filing the grievance. If the grievance is not resolved in informal discussions, the supervisor shall give a written decision on the grievance to the parties involved within five (5) days after receipt of the written grievance.
 - b. Level Two: In the event the grievance is not resolved in Level One, the decision rendered may be appealed to the Superintendent, provided appeal is made in writing within ten days after receipt of the decision in Level One. If a grievance is properly appealed to the Superintendent, the Superintendent shall set a time to meet

regarding the grievance within seven days after receipt of the appeal. Within seven days after the meeting the Superintendent shall issue in writing a decision to the parties involved.

- c. Level Three: If the grievance remains unsolved at the conclusion of Level Two, it may be submitted for binding arbitration at the discretion of the Association, provided written notice of the request for submission to arbitration is delivered to the Superintendent's Office within ten (10) days after the date of receipt of the decision at Level Two.
2. If the parties do not agree as to the arbitrator within five (5) calendar days from the notification date that arbitration will be pursued, the Board of Personnel Appeals shall be called upon to submit a list of five (5) names to both parties. Within ten (10) days of receipt of the list, the parties shall select an arbitrator by alternately striking names from the list. The name remaining shall be the arbitrator selected to hear and to decide the case.
 3. Rules and procedure governing the hearing shall be fixed by the arbitrator and the award, when signed by the arbitrator, shall be final and binding and may be enforced in a court of competent jurisdiction.
 4. The arbitrator shall have no power to neither add to, subtract from, or alter in any way, the express terms of this Agreement, nor imply any restriction or burden against either party that has not been assumed in this Agreement. The Board and the aggrieved party shall not be permitted to assert in such arbitration proceeding any ground or to reply on any evidence that has not been disclosed to the other party seven (7) days prior to the arbitration hearing.
 5. The fees and expenses of the arbitrator shall be shared jointly and equally between the Board and the Association. Neither party shall be required to pay any part of a stenographic record without its consent, provided the failure of a party to share the cost of such record shall be deemed a waiver of the party's right to access the records.

E. REPRISALS

1. No reprisals of any kind will be taken by the Board or the school administration against any person because of participation in this grievance procedure.

2. Should a teacher have a baby or adopt a child during the summer months which are not part of the school calendar year, the amount of leave for which the teacher is eligible shall be determined by counting the thirty (30) working day leave period from the date the child is born or brought into the home, as if those days were a part of the school calendar year.
3. A teacher shall request maternity/paternity leave in writing to the Superintendent, at least 60 days before the leave will commence, specifying desired dates to begin and end the leave.
4. Upon termination of leave, the teacher will be reinstated in the same teaching assignment held before the leave and at their current salary schedule.
