

Dear Parents and Guardians,

You will be receiving this letter through Infinite Campus, too. If you do not receive it, your account is not setup correctly. Please call Julie at 656-2893 ext. 200 to remedy this. It will be much easier to do the Read-A-Thon online!

February is "I Love to Read" month which starts our second biggest fundraiser of the year, Elder Grove PTO Read-A-Thon. In order for this fundraiser to be a success, we need your help!

Are you new to Elder Grove this year and don't know what our Read-A-Thon is? Click [here](#) to read all about how it works!

You can conveniently sign your child up online by registering [here](#), and get a head start with fundraising today! Your child agrees to read the grade level minimum AR points (Kindergartners and 1st grade, 50 books). Scan the QR code or go to <http://bit.ly/2DYHNfM> to share this information. If you cannot do it online, you may fill out the attached commitment paper and return it to your child's homeroom teacher. It is much easier if you can do all of this online, so we can then send you updates by email. If you are ready for your pledge sheet, download it [here](#).

**Last year, we raised \$3,682.25. The Kindergarten class raised the most with \$1,457.05!!**

This year, we have set a goal of \$6,000. We currently have 620 students enrolled and if every student gets involved and participates, even only raising \$10 each, we would beat our goal by \$200.

The students that participate in the fundraiser and hit their class level goal, will get to participate in the Read-A-Thon Carnival on March 2nd. Last year, the kids that were able to attend had SO much fun celebrating! In addition, students will receive a gift certificate for the Spring Scholastic Book Fair totalling 10 percent of their earnings.

**Your child must have a minimum of \$10 raised and turned in, in order to be eligible for the gift card to the Scholastic Book Fair and to participate in the Reward Party on March 2.**

The EGPTO thanks you very much for your support!
