

# Mrs. Dailey's Class

November 23, 2021

## Classroom Updates

- **Multiplication Facts:** The multiplication basic facts form will be in today's red folder. Your child can practice 10 times (5-10 minutes, or 30-40 cards at a time) and bring it in for a prize. They can practice 10 times in one day, once a day, or however works best for your family. Our class record is 38 cards in one minute, so you can even time them to see how fast they are getting!
- **Thankfulness Book:** We made turkey thankfulness books that will go home today. Take time to read them together to see what your child is thankful for at home, at school, and outside.
- **So Thankful:** This is truly an incredible group of kids and I'm grateful to have each one of them in my class. They work well together, are encouraging and work hard! Enjoy the holiday together and Happy Thanksgiving!

## What We're Learning

- Chapter 3 tests will go home today. We started our geometry unit and will work on lines, rays, angles and shapes.
- We're working on story elements and historical fiction in reading. We'll wrap up our Middle Ages unit next week.
- We're learning the four sentence types, root word *graph*, suffixes and prefixes in language arts.
- Spelling words will go home in next week's Tuesday folder. Our goal will be to take the text next Thursday (Dec. 2), but will see how they're doing with practice at the beginning of next week.

## Upcoming Important Dates:

\* **November 24-26:** NO SCHOOL, Happy Thanksgiving!
